## About Us

Founded in 1991 & based in Buckley, North Wales, Play & Leisure Ltd is a family run company leading the way in the design, manufacture and installation of playground, sports & outdoor fitness equipment to the relevant BS EN standards. We are constantly thinking of new, innovative, exciting & fun products to stretch the imagination of children today & in the future. Our products are developed by a team of highly skilled & dedicated designers, who being parents themselves understand the needs of children and what makes them tick. Being an ISO 9001 registered company we pride ourselves in manufacturing high quality equipment using materials sourced locally at our premises in Buckley so you know you are buying British. We are also members of the API, CHAS, SMAS & Constructionline. With all these factors taken in to consideration, you can have peace of mind in knowing that your playground will be putting smiles on children's faces for years to come.

Follow us on:

## Mountain Multiplay

Mountain Multiplay units have been specifically designed for children 5-12 years old and being modular provide endless combinations of challenging and demanding activities to suit different needs, locations, abilities and budgets. Assembled into any configuration by differing platform heights and shapes, a wide variety of events and links of varying difficulties and physical requirements can be achieved. Mountain Multiplay units are made from high quality mild steel, being extremely robust, are suitable for the most demanding locations. The following designs are just a suggestion and as all units are modular we can design a bespoke unit to specifically suit your requirements.

## Symbols

When designing our equipment we take into consideration the type of play activities the equipment will promote. The following range of symbols will help you identify the different activities the equipment will provide.

## Guarantee

All our equipment is manufactured at our UK premises and our structural steelwork meets the highest standards. We guarantee that if any product fails due to a defect in workmanship during a 25 year period, we will repair or replace free of charge all parts found to have a structural defect. This extensive period of guarantee is only possible due to our continual program of quality through every stage of design manufacture, installation and service.
